NOTE:	The first 16 steps are basically shuffle and rock steps done in a special sequence in a diamond pattern. Imagine you are playing baseball... shuffle forward to 1st base... backward to 2nd base... forward to 3rd... and backward to home plate. On the rock steps, rock forward, rock back on foot indicated lifting the other foot slightly off the floor and twist your body 1/4 turn towards the direction you are going next (don't swivel the foot on the floor, just twist the body). When the free foot comes down, you will be starting your next shuffle step.
