<b>NOTE:</b>	 <p>This dance was originally written as a 32 count dance, but that was before we fully understood the full meaning of the "&amp; count". Regretfully, the dance instruction video was taped and distributed before the mistake was pointed out. Needless to say there were many discussions and questions about the dance. This "revised" version rewords the troublesome "Star Switch Turn" and reflects the more appropriate use of the "&amp; count" which in turn results in a change in the counts. We'll be the first to admit our mistake, and apologize for any inconvenience...</p>
