## BEGIN DANCE AGAIN

**VARIATION:** For a little bit of fun, on steps 9 -16 dip down from the waist bringing your right hand to your mouth and let out with an indian "war chant"! Repeat as needed.

**NOTE:** This dance was written at the request of the record label, but was "buried" by the choreographer when an article came out in Country Weekly magazine in December 1996 in which two members of the BR5-49 group were quoted as saying they did not like line dancing and did not want dancers line dancing during their concerts! The backlash from that article killed BR5-49 in the line dance world.
